

Lab 7 Writing Assignment

Abstracts

Writing Assignment

In this writing assignment you will write an abstract for the work you did in lab 7. Be sure to follow the conventions of an abstract carefully:

- Don't summarize more of your work than necessary
- Do include quantitative results
- Keep it short.

Learning Objectives

By the end of this writing assignment you will...

- Learn to write an abstract that follows the conventions of scientific writing.

Specifications

Lab Report Introduction

- ☐ Concisely summarizes the gist of each section of the lab report.
- ☐ Arranges the sentences in the order the sections are presented in the lab report.
- ☐ Is self-sufficient and does not refer to the body of the report, such as specific results.
- ☐ Uses past tense to report what was done.
- ☐ Stays within the maximum words allowed (usually 100-200 words).
